

What is this made of?

The comic strip consists of four panels. In the first panel, a customer asks a jeweler about a ring. In the second, the jeweler gives a vague answer. In the third, the customer presses for more detail. In the fourth, the jeweler reveals the 'space rock' with a dramatic flourish.

Premium metal.

Can you be specific?

Space rock.

Material disclosure must state the actual specification and not merely a generic marketing label.

Space rock is a notoriously vague category.
